“ I was so happy I got to see Boots a couple weeks ago. I will miss the thought of him always being there in California. He was a great brother-in-law.
Bernice

Uncle Boots was always happy and joking around (Bernice says he was never quiet). He had a great sense of humor. He always brought a smile to everyone's face that was around him.

“ *Uncle Boots has been a special person in our life. I will always remember his smiling face and all his jokes. Boots will be missed by all. Please tell Boots to give a hug to his brother and my dad (Ike) for me and not to give him such a bad time.*

“ *Uncle Boots has, and always will have a special place in my heart. I will forever remember his smiling face, and his easy humor. I feel fortunate to have had him grace my life, and for the time I was able to spend with him before his passing. He was a special person, who touched many with his life. Love you Boots, farewell until we meet again!*

“ *I will always miss the wit and humor that Uncle Boots always had and the deep love that he had for his family. We are all so fortunate to have had him in our lives and the world will be a less sunny place without him. On a brighter note, I know that there is a big family reunion going on right now as Boots has been welcomed "home". To his daughters, Judy and Vickie, you are in my thoughts and prayers and you were so fortunate to have this wonderful man as your Dad. God bless you all.*
