Obituary of Henry Woodson

Henry was the sixth child born to Frank and Irma Woodson, on July 19, 1950, in Oroville, California. He attended elementary school in Oroville and graduated from Las Plumas High School. While in high school he played tennis, ran track, but excelled in football. He began his college career at Butte Community College. During this time, Henry would go back to Las Plumas and train student athletes, along with running multiple Little Leagues, and various youth sports throughout the Southside Community. He eventually transferred to Fresno State.

Due to a knee injury Henry decided to follow his community service-based passion. He was hired as the first black counselor at Butte Community College. He also taught classes, worked within the EOPS Department, and coached football. In addition to working at Butte College, he began an After-School Program, provided Drug and Alcohol Counseling, and organized an annual Martin Luther King, Jr. Program within the community. Throughout his life he has touched the lives of many by providing opportunity, and opening doors for others. His family and friends will miss him.

Henry was preceded in death by: brothers, Tommy and Robert Woodson; sister, Anne Mae Woodson; parents, Frank and Irma Woodson; and aunt, Ruby Boone.

Henry is survived by: son, Shepard Woodson; daughter, Yvanna Wheeler; grandchildren, Gevon, Janessa, and Jaylen Wheeler, and Zoey Edmond; brothers, Frank Jr, and Leon Woodson; sisters, Myrtis Brown and Gail Woodson; and aunt, Sally Glaude (Walker). In addition, Henry leaves to mourn a host of nieces, nephews, cousins, family and friends. Everyone who knows Henry knows that a service wouldn't be something he would want. We would like to present a donation in memory of him. In lieu of flowers and cards please send donations via PayPal to ynwheeler@yahoo.com to be presented to the Southside Oroville Community Center in honor of him.

Arrangements are entrusted to Twin Chapels Mortuary (707) 552-6696.

“ Henry Woodson sat just in front of me at summer school in 1966. We had to take Public Speaking. I HATED it! Public Speaking is not my favorite thing to do, and I was 14 and so self conscious. One day I was getting ready to go up in the front of the class to do mine and I was visibly shaking. He turned around to me and said, "Calm down, you're going to be fine, pretend you're a queen talking to her subjects, look over the top of their heads and make eye contact with me, if you want to". That had lasting repercussions for the rest of my life. I had the opportunity to do a lot of public speaking and presentations in my job, and I'll never forget it.
