Steven J. Cirimele

July 31, 1949 – October 19, 2013

Steve Cirimele passed away peacefully at home with his life's love, Delvita, at his side. He was 64. Steve was born in Vallejo to Frank and Elsa Cirimele and attended Vallejo Jr. High & Vallejo Sr. High, graduating in 1967. He went on to graduate from Solano College in 1969 and from the University of the Pacific with a business degree in 1971. Post graduation, Steve entered banking and worked for BofA, Napa Valley Bank and Crocker Bank before retiring in 1992. Steve has been a Benicia resident since 1980. Steve was a triple transplant patient and battled kidney disease for the last 20 yrs.

He was kind of heart and generous to those he called friends; serving as an inspiration to all of us while he displayed strength of character and courage until his final day. Quick to laugh and slow to criticize, Steve had an exceptional ability to always make others comfortable, even through the most trying of times.

Perhaps his greatest gift was as a mentor and role model for his younger brother, Tom. Steve will be missed by everyone who knew him.

He was preceded in death by his parents, Frank and Elsa Cirimele in 2006.

He is survived by his brother Tom, Delvita Hoover, her children, Steve, Randy, Danny and Michael and grandchildren Steven, Aaron, Natalie, Tristan, Veronica and Zachary and many cousins, Joe Cirimele of Benicia & Kitty Brevig of Vallejo, Nancy Devlin of Napa, Patricia Fairchild of Cupertino, Jane Lessard, Cathy Gamba and Ann Reeder of Vallejo, and Liz Nawojski of San Diego.

Memorial service will be held 11 AM Friday at Twin Chapels Mortuary, 1100 Tennessee St., Vallejo. Inurnment will be private.

“ It is with great sadness to hear of Steve's passing. I worked at Crocker Bank with him for many years and always enjoyed his sense of humor, compassion for others and kindness to all. He was a very special person.

“ I can still picture you enjoying a football game, picking up a conversation with total strangers, and enjoying yourself with Mom like it was moments ago. I will miss your the support, encouragement, and care you showed toward others, myself, and family (and of course Mom). You always had a gift that made everyone feel good about themselves. You will always be with us in spirit.

When the big man calls us each home, we will see you again. Until then, your spirit and legacy will live with us forever.

Thank you for hanging in there to spend your last moments with Mom (I know you and the big man planned it that way). You are a world class person! You will always be missed.

“ I'm terribly sorry to hear this sad news. Steve was a special friend as well as a cousin and I've been thinking today of so many heart-to-heart talks when I lived on the West Coast and then on the phone in later years. Wish I could be with Delvita and Tom and all my California family this weekend. My memories are so strong of Steve's loving presence. He will be missed indeed.
