

Aaron Bryce Hoover

June 29, 1994 - April 14, 2022

Aaron Bryce Hoover from Benicia, CA went to his final rest suddenly and unexpectedly on April 14, 2022 at the young age of 27 years. He was born in Phoenix, Arizona and was one year old when he moved with his family to Vallejo, Ca. Later moved to Benicia, Ca where he attended Mary Farmar School, Benicia Middle School, Benicia High School. He graduated from Liberty High School in 2012.

Aaron is preceded in his passing by his mother Michelle Lee King Hoover and his grandfather, Orville Bert Hoover. His surviving family members include his father Daniel B. Hoover (Step-mother Melinda), siblings Natalie D. Hoover, Michaela A. Holliday (Anthony), Tristan D. Hoover and Kyle Harrison; grandmother Delvita Hoover; Uncles Stephen Hoover, Randy Hoover, Michael Hoover (Margita; cousins Stephen Hoover, Jr., Joseph Strader-Hoover, Veronica and Zachary Hoover. Numerous other aunts, uncles and cousins are scattered throughout the United States.

Aaron greeted everyone he knew with a generous smile. When you met him, he made you feel as if he had known you all his life. Everyone became his friend and you knew you were his friend forever. But, no matter how much time had passed between visits, he always told his family members how much he loved them whenever he saw them. Aaron was gifted with an amazing, unique memory. Tell him something once and he never forgot it! He loved working and tinkering with cars and was talented with a high aptitude in the mechanical field. In his younger years, he enjoyed camping and fishing with

his grandfather and family. He loved His Lord and remained loyal to the faith. Whenever we think of Aaron, we'll always remember the baseball hat that he wore backwards and his legacy greeting of "Hey, hey." Nor can we forget his forgetfulness-the many calls he made to us: " did I leave my phone there?"; "is my wallet in your car?"

Aaron will be sorely missed by his family and friends. But he will always be loved and will remain in our hearts forever. He will never, ever be forgotten. We find solace knowing that he is resting in peace in Our Lord's care where is at peace and bathed in eternal unconditional love.

A Memorial Service will be held on Saturday, May 7, 2022 at 11:00am at Twin Chapels Mortuary, 1100 Tennessee Street, Vallejo, CA. “ Aaron,

I never had the pleasure of meeting you but have had the honor of working alongside your dad for many years. It is very apparent from his words that he will dearly miss you. Your dad is a dear colleague and a friend, and to feel the impact of his loss, there are no words to describe it. His BART family sends their deepest sympathies to your family, and just as Dan is part of our family, we mourn with him this immeasurable loss. Rest with the angels Aaron Hoover.

“ Aaron,

I remember you as a baby and how happy you always were just chilling out and smiling at everyone. Over the years, I know you had a few rough patches but you were always a good person at heart, personable, and very kind. I know at least you are in another safe place and the big man can personally watch over you now. I am glad we connected before your time here on earth was called. You will be missed by all. Tell Grandpa Hi. We know you have not gone in spirit, just physically. At least things saw everyone recently before you were called back home.

“ Aaron,

I want to go back to those days as kids where we used to just play video games all day, climb trees, skate and adventure with Evan and Jake.

I miss growing closer to you as we grew up also. You always had my back and I had yours. We were navigating the highs and the lows of life but also enjoying the simple moments like drinking beers to a nice sunset on our spot by the pier. I would give anything to have one more big bear hug from you, to hear that laugh of yours, and to hear you call me Nani the way you always did with a big cheeky smile across your face. You were such a light in this world and a man with the most loving heart. I hope you know how proud I am of you for always trying despite how hard life got. And most of all I hope you know how much I love you.

I miss you every day.

“ I will never forget first meeting you. A smile that lit up a room. We went through lots of ups and downs but I wish cherish the good memories you left me with. My favorite memory is when we first met I had just got my lip pierced. We went to a lake with other mutual friends and you pushed me in the water and I was soooo mad but couldn't help to smile because you were just a goober. Part of me blames myself for not being able to fully help you during the time we were together, but I know you aren't suffering anymore. I love you.
RIP ☐

“ I saw you when I was at my lowest & I remember you telling me to never give up, to get better , to believe in god and keep my family close to me.

I know most people didn't see this side of you much, but most people didn't experience or understand what WE where going through.

You deserved more to life,

“ Dear Aaron,
I don't know what to say now that you're gone, I remember the times I would occasionally see you randomly either in Benicia or Vallejo when you moved out, like the time in 2016 when me and Mom were by the water in Benicia trying to fight a gym in Pokémon Go and I was about to have one of my autistic meltdowns when you said hi to me because you were there with one of your girlfriends, I remember back in the Benicia house you burned the microwave because you were microwaving a kimchi noodle with the aluminum paper lid still attached, we called each other big buddy and little buddy, you liked playing Guitar Hero just like the rest of us, I remember replaying it a few years ago and using your old profile for the story mode, your name on there was AAAAA, there was a chance I could've seen you as recent as November of 2021 when you stopped by Grandmer's house for something and I was in Natalie's old room laying on her bed looking at my iPad because I decided to go to bed early because my sleep was crappy the previous day.
I love you
Your little buddy
