“ *My dearest sister Adelfa, you will always be in my heart. I never thought I would see one of my siblings go before me. One of my fondest memories of you is when you and I walked down the aisle of Santa Rosa Church as we made the First Holy Communion together. I will cherish that moment (and picture) forever. May you enjoy eternity in the Kingdom of Heaven. As brother and sister, we will always be united, in body and in soul. I love you, your brother Frank Sanchez.*

“ *Adelfa, my sister, my friend, my confidant, my shelter in a storm, my rock.*

Your love for me, your children, your brothers and sisters, your family, and your friends was given wholly and unconditionally. You opened your heart and soul to many and unselfishly provided a foundation built with love, warmth, caring and compassion.

Together we shared a life filled with joy, happiness and sadness. We laughed, we cried, we shared quiet moments. So many words remain unsaid. So many things remain undone. Forgive me, forgive us. And yet, I take solace knowing that you are released from your earthly bonds, pains and sorrows. I will selfishly miss you, I feel incomplete.

I loved you dearly in life and will continue to do so in death. Know that you did not die alone, for with you went a piece of my heart and of all whom love you.

In life, we travelled many paths together, and now this final path belongs only to you. I pray that your path is aglow with the light from above and leads to eternal life filled with the boundless peace, love, and Glory from God our Father, our Lord and Savior Jesus Christ, and all the angel in heaven.
