“ I am so going to miss Tony. Tony took care of my grandma marian devant till she passed and that is how i met tony. It was to expensive for Tony to live in San Mateo so he came to Vallejo where he resided at the towers. He loved it here and loved his new apartment. He was always there to help, and loved doing it. The best time me and Tony had was taking my sail boat out, drinking coffee and dodging the big waves from the ferry. Tony didn't know how to swim but that didn't bother him from enjoying a beatiful morning. Tony loved to laugh and joke which made me realize that I don't do enough of that. There were a lot of things that all of us had learned from him that won't go to waste.

We send all our condolences to the family, and if there is anything that we can do please let us know.
