

Antonio Escalante

June 13, 1943 - March 12, 2026

It is with deep love and sorrow that we announce the passing of Antonio Escalante, a devoted husband, father, grandfather, and great-grandfather, whose life was defined by hard work, generosity, and an unwavering commitment to family.

Born with a strong spirit and determination, Antonio came to the United States as a teenager through the Bracero Program in the early 1960s, seeking opportunity and a better future. He eventually settled in Marin County, where he met the love of his life, Maria Isabel. The two later made their home in Vallejo, California, where they built a beautiful life together with over 59 years of marriage rooted in love, partnership, and resilience.

A man of incredible work ethic, Antonio held many roles throughout his life, from dishwasher to factory worker making orange cones, before finding his true calling as a roofer. Over a remarkable career spanning more than 40 years, he not only mastered his trade but also mentored countless family members and friends. Many who worked alongside him went on to build successful roofing businesses of their own, a testament to his guidance, skill, and leadership.

Above all, Antonio was a generous man who truly embodied the spirit of helping others. He gave freely of his time, knowledge, and heart, always

willing to lend a hand to anyone in need. His strength, humility, and kindness left a lasting impression on all who knew him.

He is survived by his beloved wife Maria Isabel, six children, twenty-three grandchildren, and seven great-grandchildren, all of whom carry forward his values, love, and enduring spirit.

He leaves behind a legacy of hard work, compassion, and family. A legacy that will continue to inspire generations to come.
