

Antonios "Tony" Ioannis Stratoudakis

July 24, 1939 - September 13, 2021

Antonios "Tony" Ioannis Stratoudakis, 82, passed away peacefully at home, surrounded by love from his wife of 48 years, his children, and his grandchildren.

Antonios was born in Chalepa, Chania, Crete, the youngest of five siblings, whom he adored, and who provided him a role in life he loved, as an uncle.

Tony made the United States his home in 1969 where he met the love of his life, Marie, and together built a strong family, home, and business. Tony was a Master Craftsman and used his gift for furniture making and refinishing to open Tony's Furniture Refinishing in Vallejo, California which he was proud to have run since 1974. One of his greatest joys was using his craft to breathe new life into antiques and heirlooms for his customers and their families to enjoy for generations to come.

His passion for life was palpable. His humor and love for people was felt by everyone-- family, friends, customers, and strangers. Tony provided a joyful energy to every situation, and always offered wisdom and perspective that motivated you to move forward in life with your head held high. He was a fighter. But, above all, he was a wonderful husband, father, grandfather and friend. His physical presence in the world will be deeply missed.

Tony leaves behind his wife, Marie (Schoeff), his son, Berkley (Laura) Stratoudakis, his daughter, Pagona (Niko) Manologlou, and his beautiful granddaughters, Ryah, Olivia, and Zoey.

“ *I will always remember my beloved uncle Tony. He meant so much to me. I have so many memories from when I was a little girl when he and my aunt and and my cousins were visiting Crete in the summers until now. Once I made a souffle he liked and ever since he was telling me "souffle sil vous plait". He was a great kind man always with a smile making jokes, a character nobody would forget because he had an adorable loving personality. Every time we would visit our family in Vallejo he loved us all to sit at the table drinking wine and sharing family memories from the past!
I love you theio Tony! Your impact to my life and to our whole family is truly unforgettable. Kalo paradeiso!*

“ *I just loved Tony! He was the sweetest man and always helping others. I knew him through my parents Ramon and Genevieve Briseno and also was in Vallejo Executive Lions with him and he was always the first to raise his hand to help or donate for anything the club was doing. He will be missed and I hope you know how loved he was.*

“ Knowing the Stratoudakis Family for so many years has been such a pleasure and truly an honor for my family. My visits to see Tony were always full of laughter and smiles. My Grandma's dining room table (which Tony lovingly refurbished) lives with us today and is a testament to Tony's gifts!

“Master Craftsman” is an understatement in reference to Tony Stratoudakis!

To Marie, Pagona and Berkley ... we are all so very, very sorry for your loss. We have all lost!

We pray your fond memories with Tony return quickly and replace your sadness with joy at having this wonderful man to love.

RIP ... Buddy! Rest in Peace
