

Carrie Cecelia Foley

April 15, 1968 - June 5, 2023

Carrie Cecelia Foley, a beloved resident of Green Valley, California, since 1995, passed away peacefully and surrounded by her family on June 5, 2023, after a valiant battle against breast cancer. Born on April 15, 1968, Carrie's vibrant spirit and devotion to others touched the lives of all who knew her.

Carrie was a dedicated Realtor, a profession she wholeheartedly embraced since 1999. However, real estate was more than a job for Carrie. She was known as an agent with infectious enthusiasm and genuine care for others. She saw real estate as a way to make dreams come true for others and make lasting connections within the community.

While real estate was her profession, Carrie's greatest joy and fulfillment came from being a devoted mother. Her love for her four children, Ryan Foley (32), Davis Foley (30), Matthew Foley (27), and Tana Foley (25), knew no bounds. Carrie was blessed to travel all over the world with her children including Hawaii, Mexico, and throughout Europe. Carrie treasured every moment spent with her children and found true happiness in their laughter and shared experiences.

Anyone who knew Carrie knew that she lived life to the "Foleyest." If Carrie was not hosting a party herself then she was probably attending several others. The beach held a special place in her heart, where she would often

seek solace and find peace in the crashing waves. Her love for travel allowed her to explore new horizons, experiencing different cultures and broadening her perspective on life. Carrie also had a guilty pleasure for Taco Bell and she could never turn down a bean and cheese burrito with a coke.

Carrie was a warm and welcoming individual, and knew how to make anybody feel at home. A true people-person, she possessed an innate ability to connect with others and effortlessly make them feel valued and loved. She relished the opportunity to make new friends, while treasuring the time spent with those she held dear. Perhaps Carrie's greatest trait was her selflessness and desire to help others. Carrie could accomplish anything for a friend in need, even if it was something that she was unwilling or unable to do for herself.

Carrie leaves behind a cherished legacy and a loving family who will forever hold her memory close to their hearts. Carrie is survived by six siblings, her mother, Nancy Dahlberg, and her four children: Ryan, Davis, Matthew, and Tana. A source of immense happiness were her three grandchildren, James Foley (5 months), Mila Cecelia Foley (5 months), and Cooper Foley (4 months). She adored them beyond measure and found tremendous joy in witnessing their growth during the time she had with them.

A memorial mass to celebrate Carrie's life will be held on at 2:00 PM, Friday, June 16, 2023, at St. Dominic's Catholic Church, 475 East I Street, Benicia, CA 94510. It will also be live-streamed at <https://youtube.com/live/CVSrdWt35ew> for those that cannot make it in person. Friends and family are invited to gather, share stories, and pay tribute to the remarkable woman whose impact will endure through the ages. Additionally, please feel free to share stories and/or pictures via email at carriefoleymemories@gmail.com.

In this time of mourning, let us remember Carrie for the love and light she

brought into the world. Her zest for life, compassionate nature, and unwavering spirit will forever inspire us. May her memory serve as a reminder to promote love and selflessness, cherish the bonds we share with loved ones, and prioritize the precious gift of family. Carrie Cecelia Foley will be dearly missed by all who had the privilege of knowing her. May she rest in eternal peace, forever watching over her loved ones from above.

“ There are no words to express the incredible void and sorrow we feel at Carrie’s passing. I’m still in a state of shock and disbelief. Our most heartfelt condolences to all her family and dearest friends who are grieving this tremendous loss.

She had a contagious positive attitude that truly made those around her feel brighter and hopeful. She would light up any room with her beautiful smile. I will remember her also for her open-hearted generosity that brought us together and gave us all opportunities to celebrate and cherish our friends.

She was a giver. Her kindness and compassion knew no bounds, her support of community and care packages to those in need brought so much joy and comfort. The love and kindness she showed to all was truly an inspiration.

So many memories come to mind with Carrie... Memories of baseball games, Little League, Justin Siena games, fundraising events, all those BBQs and summer parties, Pie Night, and even just happy hour at Sticky Rice. I remember she got me to take a shot of Fireball one night there. Not my favorite thing, so didn't much care for that, but loved her for her enthusiasm. I think she could get anyone to do just about anything.

Our world has lost a beautiful soul here on earth, but heaven has gained a special angel, and we know she will be looking after all who have been left behind.

I can't even begin to express how deeply we will miss her, but she will live on in her children and grandchildren, and also in our hearts and fond memories. May she rest in peace, forever in paradise.

“ Oh Carrie, what wonderful spirit you were in life and now it will carry on forever in your children and grandchildren. In life you get a chance to meet only a few people who -when you see them - bring an immediate smile to your face, Carrie is one of mine. Through the years of our kids school, little league, random run ins, real estate and of course Pie night, we had many adventures. I will miss my friend and wish her peace in her new destination. To her family, there are no words to offer that will stop the pain or deep void, but, you are now her messengers to keep that spirit of giving, of relationship and happiness going, I know you are up for that task. Farewell to my friend. You made a difference in the lives of many, be at peace.
