CeCe was raised in Vallejo, CA and graduated from St. Vincent Ferrer High School in 1961. CeCe and Kenny's love story started on July 25, 1964. Their everlasting love strengthened with each passing year. They loved travelling to the Oregon coast, they shared the love of fishing and watching all their grandchildren's athletic events. CeCeMa loved crocheting, knitting, sewing and creating beautiful keepsakes for her family. CeCe's sweet spirit was kind-hearted, loving and giving. It started with a kiss and ended with a kiss. Until we meet again.

“ CeCe was a year behind us at St. Vincent’s high school. Our school was very close-knit and we saw one another daily. CeCe was always positive with a sparkle in her eyes. She had a great sense of humor and an infectious smile! She brightened the day for us all. Skipping ahead a few decades, it’s been great fun to follow KD & CeCe during their last years in Napa and now that they have moved to Vacaville. The numerous pictures KD & CeCe shared illustrated the love she had for her beautiful daughters, the grandchildren, and great grandchildren.

The pictures of CeCe teaching the grandchildren how to make raviolis were classic. The pictures of CeCe & KD attending Presley’s swim meets at USC and rooting for Cal at Napa High football games were great. Most recently the little league game pictures of their grandsons with the new bats KD gave them. The family gatherings illustrated the love CeCe shared with the Delaca Family. The recent picture of CeCe & KD holding and feeding the new twins was a heart-tugger!

CeCe’s love and great heart reached beyond the immediate family. In 2015 our Son was diagnosed with Leukemia. The first note we received was from CeCe & KD which brought tears to our eyes. CeCe’s legacy is the genuine love she shared with her Family & friends and the love that the Delaca Family embraces for one another.

God Bless CeCe, Ken and the Delaca Family. As Presley would say, “ Fight On”!

“ Lived next door to Cece and Kenny as a teenager. Remember being at the house alot during that time hanging out in her bedroom while she transcribed medical information. She was always very kind to me and I've never forgotten that! Saw her and about 10 years ago when they came to pick up the Menisini boys from the elementary school I worked at. Wonderful to see her and Kenny at that time and she was still as I remember. RIP sweet, sweet lady!!

“ There's that beautiful face that we'll always remember. Way back when I first met CeCe, was when the "kids" would come in to Paisano Pizza on Friday nites. She was such a CUTIE. CeCe Callan who became CeCe De Laca just never did change. Except for this huge love she had for Kenny, Altho I hardly crossed paths very often with you guys after moving from Vallejo, I always heard the sweetest stories from time to time about your beautiful girls and what a beautiful family you had. Your girls were as sweet as their Mama. I even saw how beautiful they had grown to be, as mamas themselves. A great upbringing because of great parents. You are all so blessed because of your CeCe. And may all your wonderful memories put smiles on your faces, and the days ahead aren't too heavy on your hearts.
Love and Hugs, Carmela

“ I will always remember Cece as a smiling, loving and fun parent from the years the girls rode our Joy Bus. She and Kenny were among our favorite parents on that route...not because Charlie worked with Kenny at PGE, but because they were such a special couple. It seemed like Cece was always happy...a great mom who loved her girls so very much. Although we have lost touch over the years, we think often of you DeLacas and we are so sorry to hear of Cece's passing. Our hearts go out to you and our prayers are with you.
