God saw you getting tired
and a cure was not to be
so he put his arms around you
and whispered,

"Come to Me"

With tearful eyes we watched you
and saw you pass away
and although we love you dearly
we could not make you stay.

A Golden heart stopped beating
hard working hands at rest.

God broke our hearts to prove to us

He only takes the best

“ Kevin

I miss you so much and I think about you everyday . I so appreciate you. The love that we had for each other was so strong! The love you had for our children was amazing.

The days are at times unbearable, what gets me through these days without is the many memories and the happiness we shared and knowing that you are looking down on us from up above. I love you , you precious man! Until we see each other again. Rest in peace .
