“ It was sad to hear about uncle Claude's death, I remember visiting aunt Ethel Pearls home when you all were in and years later at uncle Jim's. My dad was Leroy and he loved Claudie very much as he did i all of his siblings. I am Rita the twin to Reba. I noticed one of the grand-kids was named Matthew, my oldest son is named Matthew also. So sorry for your loss and know how much he will be missed. We lost dad ten years ago and i miss and think of him every day. In one of the tribute photos uncle Claude looked so much like dad.

Rita and Reba, thank you so much for your comments. I remember when we met I was thinking Oh I have cute twin cousins! I know my dad loved your dad and family very much. I wanted to share with you something my sister told me. When my sister Claudine and her husband Mark were visiting my dad a few days before he passed, My dad looked just past Mark and said 'Leroy, Leroy'....we think your dad was in my dad's room. That really warms my heart and to know they are together right now makes me smile.

Phyllis, thank you so much and thank you to Claudine, for sharing. With us. About uncle Claude seeing dad in his room. Gave me chills and warmed my heart at the same time, knowing dad helped your dad to the other side. Was wondering who greeted him on the other side and thinking of all of our family who has passed on, glad dad was one of them and happy they are. Together,, free of pain and sorrow. Love and miss all family members that have passed on. Looking forward to joining them in heaven when it is my time. Keeping your family. In my thoughts and prayers.

“ *My most treasured memory is when Claudie came with the whole family and spent what seemed to me like the whole summer (I'm sure it wasn't that long, but I was small), we had so much fun with all of us crammed in our little house. It's a shame it happened before the age of digital cameras, recorders and smart phones. Claudie was a great man, and one that I always held in the highest regard. My prayers are with all of the kids and grandkids as you morn your great loss.*

Thanks Greg, I remember going down to a creek, seemed like it took forever to walk there, we passed buck eye trees to get there. We would bring home buckets of crawdads and put them in your mom's tub. I think that was the same summer, I was only in the second grade.

Thank you Greg, I remember mushroom hunting and squirrel shooting and just loving it at your house we had so much fun!!

I can only barely remember that summer visit. And it seems that I have memory of you all living in Jeffersonville, Indiana for a while as well. My best memories of Uncle Claudie are from a few years ago when he came back to Indiana for a visit. It was good to get to see him again and to visit with him. He got to meet Teresa and Katie. I will miss him.

This is when we moved dad into the veteran's home just two short years ago. He wanted us to take him for a walk so he could get to know his surroundings. It wasn't long before he was riding all around the grounds in his motor chair and saying hello to everyone he came across..... Love you dad.

*My mom had such a good visit with Claudie when she and Jim came to
visit. The last time I saw Claudie was at Jim and Royce's home in
French Lick. I have a letter he wrote me several years ago. He was a
very kind man.*
