“ Ohhhhh I am SO SORRY to hear this. Your mom was just “one of you girls”. Fun loving, sweet, devoted to her family, and young at heart. I’m sending such warm hugs to you all. I can’t imagine you girls without her. But you have such wonderful memories that will keep her with you always. May she rest peacefully💕. With love, Carmela

“ Although the years have passed by and I didn’t see her as much as in my youth, Aunt Connie was one of my favorite great aunts. I have memories of going to my grandma Nora’s house and she was there to play cards with her sisters, to the times after my grandma passed and Aunt Connie made sure to attend my International Order of the Rainbow for Girls events and even attend my daughter Erica’s early birthday parties every year. I don’t know if that was a promise she made to my grandma before her passing, but I will always remember her taking the time to be in my life. I’ll never forget the years we would stop by Aunt Connie’s house on Christmas. One year we all gathered in her living room to watch the Michael Jackson “Thriller” music video. That is a memory I’ll always remember. I know she still kept tabs on me through Facebook, every once in awhile she would comment on one of my posts. If she only made this kind of impact on her great niece’s life, I can only imagine the impact she made on her children’s, grandchildren’s, and great grandchildren’s lives. She will be truly missed. My love goes out to her immediate family during this difficult time.
