“ I have known Lynn for over 40 years. Within those years we have created many happy memories playing golf, Reno trips, Tahoe trips, family get togethers and our Saturday lunches. Lynn is the most generous person of her time always making sure that others around her are taken care of and have what they need. I am very thankful for our friendship and will hold our memories in my heart forever. I find comfort knowing Lynn is at peace and free from pain and with the Lord. Until we meet again. Gone but not forgotten. I love you Lynn and miss you. Jodi Tennyson Smith

*We were best friends in high school and have kept in touch for 60 years. Occasionally we got into trouble back then but not real bad. My best friend back then. I miss knowing I cannot talk to you anymore. Rest in peace.*
