“ *I'm sadden to hear about the death of my high school classmate and facebook friend Deborah Tiburcio-Viado. We go all the way back to 5th grade at Sierra Vista Elementary School. (school closed down long ago). We both grew up in the same neighborhood. Fond memories. Deborah was very kind, funny and a good friend who I share fond memories with her from elementary to junior high to high school and as parents of our kids who graduated from Jesse Bethel High School. My prayers and condolences to her family.*
