“ Devin was always so pleasant , a very calm and respectable Young man. We shared some fun times at work, Often having conversations about our kids when we met in the break room. One of our fun events shared was our ugly sweater day for Christmas 2019. His presence will be missed. May he Rest In Peace. My deepest condolences to the family.

He was a amazing person even though times gets away from us I will never forget the person you were. It's brings me sadness that you are gone it seem like yesterday we were just kids . Prayers to your family and boys may god ease their little hearts.

“ Devin was an important part of our team for over a year and a half. I knew when I hired him that he would quickly become a leader and a resource for our team. He certainly did, as he soon was mentoring others and having an impact on his team through his positive and cheerful attitude. Quick to grasp changes and always willing to support others, his loss is felt by all who worked with him. These are a couple of pictures from a volunteer event we participated in last year.
