Donna Lee LaFave-Grant 56 years old born to Sandra and Patrick Lessard passed away peacefully in her home surrounded by her loved ones November 4, 2023. Widow to the love of her life George Grant of 16 years, together they had a beautiful daughter Nichole. She grew up in Vallejo most of her life and continued to carry on their successful family business, Vallejo Glass Co. Inc.

Donna's main focus throughout her life always revolved around Nichole (Nikki), they were two peas in a pod. Nikki gave Donna the greatest gift of all, her Granddaughter Brooklynn. They had a very special bond and those that knew of their relationship know that Brooklynn was Gamma's whole heart and whole world.

To know Donna was to love her. Her heart was pure. She was tough as nails and always held her head high no matter what was thrown at her. Her strength could move mountains. Donna was extremely generous and never missed a chance to help someone when they needed it. She treated everyone like family. Family was very important to her. She loved hosting Holidays and family dinners at her home and always made more than enough food. Weather you met her once or always came around, you never needed an invite, she loved having her home full. She loved to travel, especially to Mexico, she spent most of her time on her houseboat at Lake Berryessa and rode her jet ski no matter how cold or hot the weather was. It was her true

happy place.

Donna leaves behind a cherished legacy and a loving family who will hold her memory close to their heart. She is survived by her daughter Nichole (34) and her husband Steven Gunderson, Granddaughter Brooklynn (7), Sister Helen and her husband Steve Pimental.
