

Edna M. Blazer

March 1, 1948 - June 11, 2023

A longtime resident of Marin County. Born March 1, 1948 and passed away peacefully among her family on June 11, 2023 after being diagnosed with stage 4 colon cancer in November 2022. The Lord truly had his covering on Edna, she experienced no pain during this ordeal which was a blessing from the Lord.

Many felt her vibrant loving spirit and saw the smile that would light up a room. Edna loved her family and friends and would do almost anything for them. Edna leaves behind her one and only daughter, Donna (Don), granddaughter, Amanda, brothers and sisters Roosevelt, Herman (Faye), Virginia (Glenn), Jimmy (Sherril), Harry, Darlene, Paulene (Gary) and many nephews, nieces, and host of cousins.

Edna worked countless years for her first job after moving to California for Tri Valley Growers, where she met and befriended a few co-workers, who were still friends to this day. After nearly 50 years she retired from Tri Valley Growers, but she didn't stop there. Edna worked several more years at the Marin IJ providing excellent customer service in their circulation department. Their subscribers loved her just as much as we do and would ask for her specifically because they knew she will get the task done and done right. Edna finally did retire and during her retirement years, you will know just what she will be doing every weekday at 2pm...watching her favorite soap opera, General Hospital. Edna was a true Old Faithful Forty Niner fan and loved watching them play. She also loved watching the Warriors and Golf.

Edna precedes her loving father and mother, Roosevelt and Louise, her darling sisters, Shirley, Ruth and Ruthie "Nell" and younger brother Andrew. Edna will be missed by many, but her kind spirit will live on in all of us.

“ I worked at TVG with Miss Edna, which is what many of us called her. She was kind, patient and supportive. We could not have had a better co-worker. She was more than that, she was a wonderful person. I have missed working with her and seeing her beautiful smile. In addition to all of those great qualities she was a good cook. Especially her sweet potato pie. RIP

“ *The example of love is what my sister showed to everyone she came into contact with. Her smile and laugh was contagious! I will miss her dearly, but her love is forever etched in my heart and memory.*
