

Edward W. Amaral

July 3, 1936 - May 12, 2026

Edward Amaral lived a life rooted in love for his family, friendship, music, and simple moments that mattered most. He passed away peacefully at home on May 12, 2026. Ed was the kind of person who could make a room feel lighter with one of his jokes and a smile. He loved to dance, especially with his wife, Carol, and together they created a life filled with love, laughter, and lasting memories.

He is survived by his loving wife, Carol Amaral; his son, Tony Amaral, and daughter-in-

law, Kerry; his daughter, Christi Amaral; his four stepchildren; 12 grandchildren; and 18 great-grandchildren, along with many extended family members and dear friends who will forever cherish the joy and kindness he brought into their lives.

Ed will be remembered for his quick wit, generous spirit, and the way he made people feel welcomed and loved. His presence will be deeply missed but lovingly carried forward in the hearts of those who knew him.

A memorial grove has been set up in his memory. In lieu of flowers we invite you to purchase a living tree to be planted in his memorial grove at the Sequoia National Forest.

A Niche side blessing and committal service will be held on May 30 at 11:30 AM at All Soul's Cemetery, Vallejo.

Arrangements entrusted to the direction and care of Twin Chapels Mortuary, Vallejo (707) 552-6696. www.TwinChapelsMortuary.com

Tribute Wall

SM

“ To celebrate the life of Edward Amaral, we have set up a Memorial Grove of trees in his name through an organization called Trees for a Change.

The trees will be planted in an area of the Sequoia National Forest that was destroyed by the 2015 "Rough" wildfire. Edward's trees will help restore the beauty of the forest and will be a living tribute to him for years to come. Our family will get a framed certificate with the total number of trees and a card with all messages after all the contributions have come in.

We invite friends, family and members of the community to contribute trees to this special grove by scanning this QR code and finding Edward's name in the drop-down menu where it says "Contribute to the grove for", or by visiting his custom link below and following the instructions.
