

Esther Scott

February 10, 1947 - April 21, 2026

Esther Scott passed away peacefully on April 21, 2026. She was 79.

Born in Switzerland in 1947, Esther grew up in a close-knit family and carried with her a lifelong curiosity about the world. As a young woman, she traveled across Europe and eventually moved to the United States after marrying her husband of 55 years, Charles Scott. Together, they built a life in Vallejo and raised their family with love, resilience, and a deep appreciation for culture and connection.

Esther was known for her intelligence, determination, and adaptability. After moving to the United States, she began a new professional path in finance, ultimately becoming a First Vice President and private financial advisor with Union Bank of Switzerland. She approached her work with the same discipline and ambition that defined her life.

Above all, Esther was a devoted wife, mother, grandmother, and friend. She nurtured her family with warmth, humor, and unwavering support—cooking, sewing, encouraging, and always making time to listen. She had a gift for making people feel seen and valued, and she carried that generosity into every interaction.

Esther loved to travel, to learn, and to connect with people from all walks of

life. Whether exploring new countries or engaging in thoughtful conversation, she moved through the world with curiosity, openness, and joy.

She is survived by her husband, Charles; her children, Tim, Charles, and Viviane; her grandchildren; and many extended family members and friends who will miss her deeply.

A memorial service will be held on May 1, 2026 at 1pm at Twin Chapels Mortuary, 1100 Tennessee St., Vallejo, followed by a reception at her daughter's home.

Esther lived a life full of love, meaning, and connection. She will be remembered always for the warmth she brought into the world and the lasting impact she had on all who knew her.
