“ I will always have fond memories of visiting my Aunt often with my late father during the 70's, 80's, 90's and present. My favorite memory was when my dad, brother and I went to Vegas with her and the rest of our relatives. Also, the family get-togethers and parties were very important. Always got to see relatives from all over. She was the main person to host the get togethers at her house. She will be greatly missed but, at least she is not suffering any more. Love you aunt Tropia, Edgar Calugay
