“ Uncle Fred and my father were stationed at MCAS Yuma, AZ in the 1970’s. Growing up as a kid back then, the military families especially of Filipino descent often mingled and had get-togethers whenever they could. Delicious food, drinks, stories, fun and games were part of the gatherings. I have wonderful memories and respect for Uncle Fred. When situations arose, he always had fatherly advice for me. It is difficult to forget such a good person with character. Unfortunately, we lost contact with each other for many decades when I pursued my career and started a family of my own. I have always meant to revisit him in Vallejo, CA when my life wasn’t as busy. In my recent quest, I have come to know of his passing. Much to my regret. We thank Uncle Fred for his service to our country! ☐ May God's grace shine upon Uncle Fred as he rests in peace. 🙏🥹

“ Fred was my neighbor and friend for the past 35 years. Our boys grew up together and remain best of friends to this day. We would often share small talk in the middle of the street whenever we happened to be outside at the same time. From gossiping about whatever was happening in our quiet little cul-de-sac, to sharing views on the latest political scandals or debating sexism in the roles of women verses men, we always smiled and enjoyed a hearty laugh at one another as we departed to our respective homes. I miss that and I always will.
