“ *Its almost a year now but the emptiness and pain shall never lessen
The saddness and sorrow shall never go away
You are gone
And we truely feel so alone ajja
Dearly missed and forever in our hearts and mind
Love you ajja
May you continue to protect us from all forms of evil*

“ *Late Mr Gabriel Ram sukh was a wonderful human being and i was
blessed to know him for a very short time since 2007 when i got
married to his grandson krishna kumar chandra. He had all the
patience in the world to explain and talk about God and gis
teachings remain with us everyday as we pray.Ajja was straight
forward and very kind he helped many people and always told us
what we needed to hear not what we wanted to hear.He fulfilled his
role as a loving and caring husband father brother son brother in
law uncle father in law grand father and great grand father in law
with absolute sincerity.I personally have never before met another
human being like him and he had a huge impact on me and my
husband.I would love hearing his stories of our religion and india
and often would sit next to him for hours listening. we loved him so
very much and he was very previous and dear to us.Although he is
not here with us in body but his beautiful soul is watching and
guiding over us.he continues to live in our memories and i thank
God that i and my husband were blessed to be a part of his life and
he of ours.I know my ajja is in heaven with lord krishna and until we
meet again ajja
We love you and miss you everydayjai shri krishna*
