

Gabriella E. Zunino

June 6, 1940 - October 18, 2025

Gabriella Emilia Zunino passed away peacefully after a brief battle with cancer, in her home surrounded by her immediate family, on October 18, 2025 at the age of 85. If you knew her you would not forget her. She was a wonderful mother, wife, grandmother, friend and beautiful soul who always had a smile on her face. Born an only child on June 6, 1940 in Esino Lario, Italy to parents Cesare Viglienghi and Gemma Maglia, she grew up in Italy, received a master's degree in education and taught elementary school children there. She came to Vallejo to visit her cousin and to learn English. Little did she know, she would meet her soon-to-be husband of 60 years, Lawrence Zunino. They soon were back in her home town in Italy where they would be married. After coming back to Vallejo, Lawrence promised her to visit Italy every year to see her family, and they did. Gabby or Lella Z, which many of her friends called her, is survived by her husband Lawrence Zunino, son, John Zunino, daughter, Lisa Zunino, and her favorite and only granddaughter, Gemma Bahnsen. Her greatest joy in life was to spend time with her granddaughter and watch her grow up. They were best friends! Gabby taught Italian, worked for the family business, was a homemaker, and the Matriarch of family. She loved to play tennis, golf, bocce ball, and you couldn't keep her away from her Bridge games. In the kitchen, she was an amazing Italian chef, who was always willing to show you her secrets. She is in a better place now, looking down and guiding us all. She will be missed, but never forgotten. We will celebrate her life forever!

Family and friends are welcome to join in Celebrating her Life on Saturday, November 22, at 11am at Green Valley Country Club, with lunch to follow, at 35 Country Club Dr. Fairfield, CA 94534

“ I’m so sorry to hear of Gabby’s passing. I haven’t seen her in a long time. When Lisa introduced me to her 25-30 years ago, she gave me a hug and two kisses one on each side of the cheek. It was it was as if she had known me my whole life. Every time I saw her at an event or a party, she always smiled, held my hand and gave a hug or kiss. She never judged me or cared, who I was what I did or where I came from. She always just shared her love. The world was very lucky to have her and many people are better on this earth having known her . I wished I would’ve seen her more in the last year two, but I understand she wanted her privacy. Gabby was always the epitome of a classy lady full of grace and love. I still miss you terribly Hun, as will the many around the world will miss you.

“ I always enjoyed attending Gemma's birthday parties and other events you hosted. One of the best parts of your events was being around your adorable parents. Gabriella's beautiful smile will be missed.

Please know that my thoughts and prayers are with you, Gemma, Johnny, and your dad right now during this difficult time.

“ We have Gabriella for years. Her granddaughter Gemma is my daughter's best friends since meeting in elementary school. We would often meet at Mass and yes her love for life was ever present. Gabriella lived her life on her terms. May her memory comfort her daughter Lisa, son and especially Gemma.

Gabriella and I became friends 53 years ago when they moved onto the block. She was a powerhouse of energy and love. She is my son's godmother and John and Lisa are still friends with my children. She was with me many times to visit my husband before he passed away two years ago. I have so many good memories of our time together. I will miss her so much
