“ George was certainly gifted with special mightiness to have had such a long life. (Ps.90:10)May the family find peace and comfort in the resurrection hope set forth for us in the Bible."Do not be amazed at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out." (John 5:28, 29) My deepest condolences, in this your time of sorrow.

“ George and his wife were warm and welcoming sicne day one to me...his smile always made my day and just seeing the two of them joking around and laughing as if they were still young at heart would melt my heart. You will be missed greatly but I am glad I got to meet you if only for a moment.
