“ *Mrs. T was a wonderful teacher and friend to her students. You really knew she cared about you individually. She embodied the spirit of St. Vincent's. She was kind and generous, and never had a bad word to say about anyone. I remember she LOVED ballet! I had a wonderful chat with her at the Class of 1968's 50th reunion. My condolences to her family and friends.*

Mrs T was an inspiration to my becoming a competitive athlete through my lifetime. Gave me tools to live by. I recently visited with her at the SVSP alumni picnic and she remembered me. I will cherish our last conversation. Bless her in heaven. 🙏❤️

“ *What iconic memories I hold of Mrs. Truax's gym class. Whatever the activity, she led with enthusiasm and kindness. Here is a teacher that touched the lives of countless students. And, cheers to those green gym shorts! Louise (Zumstein) McFadden SV class of '72*

“ *I saw Mrs T at the Alumni Reunion a few months ago. I introduced myself as Yvonne Walker '76 and she said that she remembered me. We talked for awhile and I saw the love in her eyes. It was an honor to talk to her, hold her hand, and kiss her on the cheek. RIP Mrs. T and thank you for the precious memories of PE at Saints!*

“ *My family was always welcomed in Gerry's home. One year, we brought my dad (who had recently had a stroke and was in a wheelchair) to an Easter gathering at Gerry's house. It was tricky getting him there and he was not in the best of shape. None of that mattered, as he was welcomed and made to feel at home (as were my two sons, who were young boys at the time). Craig and I are long time friends of Nancy's and we feel lucky to have known here lovely mom. ~Condolences from The Ihrig's (Petaluma)*
