

James Garland Railsback

May 30, 1962 - October 17, 2015

It is with sadness that we announce the death of our eldest son, James Garland (Jim) Railsback, 53 years of age, who died early Saturday morning at his home. He was with his longtime companion, Lin Custodio, in Winters, California.

He was born in Baytown, Texas and lived overseas in his early years and traveled extensively. Most recently, he traveled throughout the scenic West with Lin in an RV. He loved skydiving, music, and computer information technology.

He was at his happiest while helping others with computer problems and was widely sought after for his knowledge. Family was very important to Jim, and he loved family events.

Jim is survived by his parents, Fred and Mittie Railsback of Benicia; paternal grandmother, Lillian Railsback; brother, Eric Railsback; sister, Dawn

(Gary) Antonucci of Benicia; and many
cousins, nieces and nephews.

He was especially proud to be

Uncle Jimmy to six-year old Anthony

Calvario. A private service will be held for extended family and personal
friends.

In lieu of flowers, we ask that you do an unexpected, kind act for another
person

in memory of Jim; or a tax-deductible memorial donation made to National
Alliance of Mental Health-Yolo, P.O. Box 447, Davis, CA 95617.

“ I met Jimmy back in 1988 in San Francisco I was 18 years old. Jimmy for me was a angel sent from heaven he and another mutual friend Joseph Freeman who had also passed, anyway they were my angels they protected me and kept me safe for over a year literally. I will never forget just how fortunate I am to have had Jimmy in my life I would not be here today had he not been a very important part of my existence. He made sure I had good and a safe place to sleep at night he was one of my guardian angels. To Jimmy's parents and family I know that at that time in his life he was struggling but maybe he had to struggle so that I could survive and strive to become the wonderful person I am today because without him I would not be where I am today so thank you for that.

“ Hello

I just happened to read James' obituary and felt compelled to write. He was only 8 months older than I am.

It is my hope that some thoughts from the Bible will bring you some. Hope, comfort and peace. It was never God's intention that we should die. When He put Adam and Eve in the Garden of Eden, he also put before them the prospect of living forever happy and in good health. (Genesis 1:28)

Our creator has not given up on that original plan..perfect live on paradise earth...even though Satan, Adam and Eve messed up (Isaiah 55:10-11)

The Bible tells us that it is Satan who is responsible for death, and not God as some would tell us. (Hebrews 2:14)

Our creator Jehovah God sent his Son Jesus Christ to ransom us from death and to destroy the works of the Devil (1 John 3:8)

Jesus said: "I am the resurrection and the life. He that excercises faith in me will live thought he dies." (John 11:25)

With Jesus Christ enthroned as King of God's Kingdom, resurrection of the dead - including James and a restoration of paradise on earth is assured.

It is My hope that until that time comes, you will find hope, comfort and peace in these promises from God.

I remember celebrating Christmas dinner with the Railsback family one year. It was so much fun. Jim was charming and explained the Texas pickles to me. A deep loss for this lovely family. Susan Reeve of St. Paul's, Benicia
