“ Adeline, I am so sorry for your loss, and I will keep you in my prayers. After my Grandmother (Willie Federigi) passed away Janet, and I became rather close. She was one of the smartest, and most interesting, women I have ever met in my life. I will always remember going to her house around Christmas time for dinner (the food was incredible). Janet was a force to be reckoned with, and I am sure she will not be forgotten, and deeply missed by many.

“ No one will ever fill her shoes or should I say her hats. Janet will be a HUGE loss to the Sons of Italy, Vallejo and to our community which she loved so much. Sad to hear about her passing and BIG blessing for Adeline and her loved ones. No one could wear a hat like Janet and sure she is in heaven with her family at peace. As she would say at so many others eulogies " Rest in Peace Dear Sister and we will miss you"

Janet was a great lady and will be greatly missed by our family, as well as the SOI family. She was instrumental in the scholarship program that helps so many of our high school seniors including my own children. Hats off (or on) to you, Janet!

Janet was one of the few who you could say was a legend in her own time. Our community and our politics will never be the same. She shall be truly missed. My condolences to her cousin
