JERRY LYNN WILLIAMS

February 13, 1952 – February 27, 2020

Jerry Lynn Williams, 68 of Vallejo, Ca passed suddenly on Thursday, February 27, 2020 at home surrounded by loved ones. Born Feb 13, 1952 in Vallejo, Ca he was the son of the late Fred C. Williams and Marjorie C (Diebert) Williams.

Jerry graduated from Hogan High School in 1970 before becoming a tanker truck driver and heavy equipment and diesel mechanic. Jerry loved the outdoors and spent countless hours on his boat at Lake Berryessa skiing, fishing and camping with friends and family. He loved NHRA drag racing, boat drags, air shows and car shows. Jerry was an avid lover of music and had a special appreciation for the blues. He loved catching shows at the Empress Theater in Vallejo and the Sierra Nevada Brewery in Chico.

Jerry lived most of his life in Vallejo growing up on Hargis Ave. He raised two children in Vallejo who he was proud to call his best friends. Jerry loved sports and watching his grandchildren play baseball over the years. He was a Giants, Warriors and 49ers fan and loved the bay area in general. Jerry loved all animals especially his dogs. There wasn't a dog he met that didn't love him and he referred to all of his dogs as his fur kids. Jerry always had a joke to make you laugh and a gift to talk to anyone which added to his "toolbox" of life

knowledge he shared with so many.

Jerry spent his later years in life with his soulmate Mary Carll in Magalia Ca. They enjoyed going for rides in the mountains and finding the backroad ways around Butte County. They often took rides to the casino, local restaurants or just exploring around the area. The mountain life, tranquility and peace and quiet brought him so much joy. He enjoyed sitting on his porch and watching the trees and deer in his yard while sipping on a good cup of coffee.

He was preceded in death by his parents and siblings Jim, Doug and Anne. He is survived by his son Eric Williams and his daughter Deanna Williams and grandchildren Anthony Smernes and Vincent Ponce.

His life partner Mary Carll and her children Shannon (Tim) Hargis & Darrin Fitzhugh and grandchildren Myranda, Semele and Izzy.

He is also survived by his brother Michael "Will" (Ava) Williams.

“ I love you Poppy and you will live forever in my heart. My best memories were from when you and my mom would come to visit Tim and I in Humboldt. You always loved being there and I can remember countless times you hoping a big storm would come in so you could call out from work and stay an extra day or two. I believe there were quite a few storms over the years. I have so many great memories I will always cherish and I cannot begin to tell you how much your granddaughters, Tim and I love you. You were the best Poppy to us all. Semele and Izzy will always speak there mind from the example you set for them. We are all hurting now but so grateful to have spent the time we did together. Rest in Paradise

The world has a little less laughter and a little less kindness without Jerry in it. What humor and heart he possessed. His memory will forever bring a smile to my face for all the good times that were spent together with him and Mary. There is a little space in my heart that contains a tear for the loss of him. It is our loss we grieve for because he has gone over to find new adventures to take us on once we meet again and will no longer have to deal with his "Peanut Tooth". That chuckle is for you and your "Peanut Tooth" buddy. Cindy Southerland

I miss that guy, haven't seen him in years, but I often thought about the brightness that guy emitted. I'm moved by the love you spread throughout both families you touched.
