“ *I'm so grateful to you for the son that you raised and the man that he grew up to be. We both love you and it was such a joy for us to bring you back souvenirs from the various places we went. We hoped that we could take you on an epic trip someday, but it seems like you've gone on to the next great adventure without us. We will always carry you in our hearts wherever we may go, and we will keep our promise to take you somewhere beautiful you've never been. We'll tell Ethan all about you so he knows his grandmother. You will always be loved and never forgotten.*
