

John Antonio Marchut

December 17, 1917 - July 9, 2015

John Antonio Marchut, 97, passed away peacefully Thursday at his home in Vallejo with the presence of his longtime caregivers Susan and Ben Turk at his side. It was their pleasure to share many years with such a gentle, kind, compassionate, spirited and special man.

John was born to Polish parents, Mary and Joseph Marchut in Woonsocket, RI. He was the third of five children. He was a proud WWII Veteran serving in the US Navy from 1943-1945. He worked on Mare Island Naval Shipyard in the Design Division for 30 years, retiring in 1981. He was an active member of numerous organizations and always looked forward to seeing his friends at the North Bay Rose Society and at Scotty's Restaurant in Vallejo.

He was preceded in death by his wife, Ella; daughter, Nancy and sons, Richard and Dennis.

Survivors include his son, John Jr. (Roberta) and numerous grandchildren and great-grandchildren.

John was so pleased to have ended his journey in the comfort of his own home. It is so hard to say goodbye because he was a special blessing in many lives.

At his request, John will be laid to rest in a private ceremony at Sacramento Valley VA National Cemetery, in Dixon, CA.

Arrangements entrusted to the direction and care of Twin Chapels Mortuary, Vallejo (707) 552-6696. www.TwinChapelsMortuary.com

“ John & I worked together in code 270. When I transferred from The Portsmouth Shipyard to Mare Island (1966) I was introduced to the most important person in 270. "JOHN" who ran the coffee concession. John ran a car pool & I was one of the people that he picked up. I and his fellow design friends will miss him.

“ *What sweet sweet memories I have of you John Sr. You always treated us Carnes kids like we were your own. You had the most wonderful laugh and the most generous spirit. I am so so happy to know that you and Ella will be in heaven united once again. The greatest gift you left on this earth to me personally is your wonderful son John. What an example of quiet love, strength and compassion he has been from the moment he came into our lives (I was in third grade :)). I want you to know that he loved you so very much and is the best example of what a father should be to his children. I know you always knew that quietly in your heart.*

“ Popo....

Thank you for always loving me and doing your best to help me along in life. I will always cherish the memories of playing hot wheels and hide-n-seek in the backyard. I can remember the ginger ale each time we visited, the Pepto-Bismol I would sneak out of the medicine cabinet, to the holiday dip & chips that I still buy to this day and share with my family. You always made me feel welcome and cared for. I wish we could have got to know each other as I grew older but that never seemed to work out for different reasons. I want you to know I loved you and always will....rest in peace Popo....

“ *Hi Papa! It's me, Timmy. I'm so sorry to hear you aren't with us anymore, but I'm elated to know you have been reunited in Heaven with your beautiful, full of life, wife, Ella (Nana to me). The thought of you two back together brings back such wonderful memories! I will never forget you and Nana bringing Kentucky Fried Chicken to our house on Sunday afternoons. I remember those days so clearly! I still have all the Hot Wheels cars! Give Nana a big hug for me. Enjoy your reunited time together with your wife! I can only imagine how excited you two must be! Finally! Love, Timmy, Marjorie, Daniel, and Cassie Marchut.*
