

Lester - Fowler Jr.

September 27, 1939 - August 27, 2025

Lester Fowler Jr. 85 died on August 27, 2025 after 14 years fighting the life ending disease of AL Amyloidosis. He was born and raised in Greenville, Mississippi on September 27, 1939 where he graduated from Sacred Heart Catholic High School.

He served 21 years in the United States Air Force where he served in Mississippi, California, Korea, and the Philippines. After retiring from the Air Force, he worked for 20 years for the U.S. Postal Service as a letter carrier. He is survived by his wife of 41 years, Wilda, two sons, Odell Robinson, Jason Fowler, daughter, Sharon Menefee. Five grandchildren, Jason Robinson, Maya Menefee, Michael Menefee, Aurya Fowler, and Kaylei. Lester always put his loved ones first. As a teenager, he became the primary caregiver for his father who had a prolonged illness and provided comfort to his mother through all of her medical complications. He was well-known for quietly helping those around him, often without being asked and never seeking praise. Even in his final days, he spent precious breaths making sure his family was taken care of.

He was passionate about protecting workers' rights and advocated for dignity in the workplace. He dedicated his later years to raising awareness about AL amyloidosis by educating others about this rare disease. Lester was a

cherished member of Holy Spirit catholic Church where he attended service every Sunday in person for decades.

In lieu of flowers, the family requests that donations to independent press, Democracy Now, or the Amyloidosis Foundation.

Lester and his caring heart, eye-squinting laughter, and radiant smile (often marked with

a hint of mischief) will be profoundly missed by all who knew and loved him.

Graveside service with military honors will be held on Thursday, September 18 at 2:30 PM at St. Alphonsus Catholic Cemetery, 1801 Union Ave., Fairfield, CA 94533.
