“ Hello Betsy,

*So sorry to read about Linda's death in the paper this morning. I know that she has been ill for sometime but I remember the few times that we met she always had a warm friendly smile. As we lose loved ones throughout our lives it is the memories and fond times that were enjoyed that will sustain us during these difficult times.*

*You were fortunate to have such a wonderful friend and partner.*

*I am so sorry for your loss.*

*Sincerely,*

*Cathy Harrington*
