Mom, it's been a long time since you left us, and your missed more than ever so much than before, yes it's awful however, I'm Happy for You and Dad more than ever now than before. Because the two of you are able to get the rest you both have needed for such a long time, without interruption. Or to see what ever is taking place throughout the world today, which isn't good. Dear Mom...Not one day passes that I do not think of you and Dad ❤️. You both worked SO hard to take care and to provide for all of us !!! In my own life I am fortunate to have learned So Much from you. A part of who I am today is because of the things that you taught me. Whether it be cooking or cleaning, writing a note or letter to someone, helping a friend, going to church, etc. I gleaned MUCH from you. I am forever Thankful that you are My Mom. I wish that I could have just one more day to spend with you and Dad ❤️. I did not realize at the time that OUR time was So Precious. I look forward to our reunion in Heaven one day 🙏. I always felt Protected and Safe at home. I was always PROUD to come from our Big Family !!! Our world has changed and we now live in a world filled with uncertainty and strife. So many times I Thank God that you and Dad did not have to live in our world as it is today. I realize everyday that I have a relationship with GOD because of YOU 🙏. You were Faithful to take us to church and to "CCD". I have a relationship with GOD today because of YOUR Faithfulness 🙏. You were an Amazing Mom and I am forever Grateful. Being a Mom myself, I have come to realize the sacrifices that you made for all of us !! God knows each of our hearts. You and Dad are LOVED and MISSED Greatly. May you BOTH Rest in Peace together ❤️Thank-You for My Life...Kathleen #5
