

Maria Angelita "Ann" Jimenez Gopez

July 29, 1963 - June 3, 2019

Maria Angelita "Ann" Jimenez Gopez

Maria Angelita "Ann" Jimenez Gopez was a force to be reckoned with. She lived her life fully, with a passion that took her on adventures to foreign lands, gave her an unrivaled sense of style, and made her the life of any party.

She was born in Manila, Philippines on July 29, 1963, and even as a child, she had the uncanny ability to touch people's lives with her joy, her kindness, and her genuine spirit.

Even while life in the Philippines wasn't easy, she overcame obstacles with an indomitable work ethic. She was her family's breadwinner for many years and she worked hard to ensure her brothers and sisters were provided for.

Ann also firmly believed that hard work and generousness came back to a person in a karmic sort of way. So when she met her loving future husband Raul in 1988, she felt the incredible life they led together was proof of that.

She and Raul would go on to do everything they had set out to do in their 30 years together - move to the United States, raise three beautiful children, buy a house and make it feel like home. She lived by values that made life happy and worthwhile: laugh often, love fiercely, put family first, and find any reason,

no matter how small, to celebrate.

She believed that life was too short to hold grudges. She spoke often of the merits of forgiveness and making peace - traits that made her a trusted advisor and confidante to many.

A devout Catholic, Ann thanked God everyday for her blessed life.

Ann passed away on Monday, June 3rd, 2019, after being overcome by an aggressive cancer. While her death was sudden, her family finds closure knowing she is no longer in pain and is now resting peacefully with her parents, her brother, and Heavenly Father.

Ann is survived by her loving husband Raul, and three beautiful children: Eunice (28), Erika (27) and Edward (17). While her body is no longer here, her spirit will live on in each of them, and in the memories she's shared with the people who love her best.

“ My prayers are to Ann and her family..She truly was one of the nicest people I have ever met. Our sons went to Glen Cove Elementary together and later to MIT Academy...She always had a smile and a kind word, we looked out for each other's boys. We are so very sorry, but comforted that she is with our Lord.
