“ *I am the last, surviving former Partner of the Vallejo Garbage Service. Mariano and I worked together on a route truck from when I was a young man. He was highly respected by his co-workers, supervisors and Partners. Honestly, I cannot say enough about the many years of dedication and valuable contribution Mariano has given to his Community in a physically punishing occupation few men are capable of performing. I am thankful for having shared a chapter in his life. May God Bless Him....*
