“*Marvel was a dear friend to my mom, Georgia Baldry while they were at Westlake. I was able to meet and get to know Marvel. I would bring her personal size V-8 juice when I went to Costco. We would share a case. I enjoyed stopping by and visiting with her. She was there when I lose my husband when he was 62. I admired her golfing up until 95 years young. Marvel you will be missed. Remembering a great lady.*
