“ I was one of her lunch workers at Lincoln elementary. Connie would use the same blue Bic pen until she ran out of ink. She was the kindest woman I'd ever met. Kindest and Beautiful soul. She made me so proud to be working, responsible and kind. She was an inspiration and influence to be kind, helpful, responsible, loving, industrious. The world would be a MUCH better place with more Connie's in it. So much love toward her 💜💜💜
