“ I worked with Mary for about 4 years at PGA Design in Oakland. She was a joy to me. I still miss her. I used to cut checks and she would mail them out for me. They were paper clipped together and eventually I would run out of paper clips. So one day I asked Mary if after sending out the checks she could return the paper clips. From then on they came linked together in various forms of animals or what ever and ended up on my desk. She always made me smile. I miss you Mary...

“ Ode to my dearest friend Highland Mary. From her Scottish brother.
Eman.

May the road rise up to meet you.

May the wind be always at your back.

May the sun shine warm upon your face;

the rains fall soft upon your fields and until we meet again,

may God hold you in the palm of His hand.
