“ Dear Michael's Family,

I am so very sorry for your loss. I really treasured my friendship with Michael, he was so smart, kind, and really an incredible person. I will always remember our many hours of phone conversations about life, people, and the state of things. I will really miss him and the idea that he isn't just a phone call or text away. He talked about his family a lot and I could tell how much he loved you and was close to you.

Again, I am so very sorry for you loss. My daughter and I loved him very much. He was a good human.

Wishing you comfort and peace at this time.
