“ *My condolences to the Mayeux family on the passing of Nelson. I worked with Nelson for 5+ years at Breuners in Pleasant Hill. Nelson was a great salesman and friend. I just found out today about his passing. Nelson had a great sense of humor and he was very kind. Sincerely, Mike McAvoy.*

“ *My name was Ruby Robinson....what I need to tell all (and I'm sure most of you already know) is what a beautiful person this man was. I have known Nelson from our Jr high school days to present time. We would cruise down E 14th Street in the Barracuda, go visit his cousin Betty and just have fun hanging out.*

My heart hurts, I didn't, get a chance to say goodbye...

“ Nelson was always a sharp and caring man. He was always willing to help but more so willing to teach you to help yourself. He was a pleasure to speak with and always had an honest opinion. I will miss hearing voice and seeing his welcoming smile. Thank you Nelson for being such a good man to my mother and my family.

“ Nelson was always a caring, loving presence in my life from when I was a little girl to when I had children of my own. I know Nelson was proud of me and loved his boys because he told me often. I will miss him on Christmas and any other milestone my sons make because he was always there for them showing his support. Nelson will always be in my heart.
