Nettie Pazos

Nettie Perez Pazos passed away peacefully the evening of November 7, 2023. She was 98 years old. Until a couple of months ago, she was a resident of Rossmoor in Walnut Creek since 1997.

Nettie was born to Manuel and Candida Perez in Hollister, California where she lived until moving to Vallejo with her beloved husband, Carl F. Pazos, to raise their family. They lived in Vallejo for more than 60 years. She is preceded in death by her mother and father, brothers and sisters and husband Carl Pazos (d.2007) and is survived by her sons Dan, John and Fred (Sandra), her grandchildren, great-grandchildren and many nieces and nephews.

Nettie was best known for her love of her family and providing service to her community. Spending time with her sons, participating in her grandchildren's activities and delighting in time spent with her great-granddaughters. Nettie believed in giving back to the community and volunteering wherever she could. She served lunch at the JCC Community Center for four years without missing a day and volunteered at John Muir Hospital Rossmoor Clinic until her health began to decline. Her travels were many, including numerous trips to Spain to visit relatives, motoring around the United States in their motor home and cruising around the world. China painting and knitting were two of her favorite hobbies. We will miss her presence at our Sunday dinners, the joy she

brought to the holidays, her pumpkin pies and playing card games, a favorite being Kings in the Corner.

The family wants to thank her loving caregiver; Danville Home Care; and Hospice of the Eastbay for their wonderful care and Twin Chapels Mortuary. A private graveside service was held on November 13, 2023 at Sunrise Cemetery in Vallejo, California, arrangements made by Twin Chapels.
