“ *I remember Mommy as a very generous person, always happy and always positive. Even though I don't have enough memories with her but her smile is what I always remember everytime her name is mentioned.*

“ *Auntie and uncle were two of the most gentle, loving souls. Some of my earliest memories are of them, their love and their loving family. If I close my eyes tightly, I can hear their voices to this day. Thank you to the entire Villaluz family for making me always feel like a welcome part of the family. I will continue to pray for auntie's soul and that she watches over her entire family.*

“ Dear Ate Barose, Ate Tatam, Ate Riva, Kuya Ricky, Kuya Ramir, Ate Raquel and Kuya Paul,

My heart is heavy as I think about Mommie's passing and the incredible impact she had on all of us. I have so many fond memories of her. her laughter, her gentle spirit, and the way she always made everyone feel welcome and loved. She had a special way of bringing light to even the darkest days, and I feel so lucky to have shared time with her.

I know words can't take away the pain you're feeling, but please know that we are here for you in any way you need. Mommie will forever hold a special place in my heart, and I know she'll continue to be with us in spirit, guiding and watching over us.

Sending all my love, strength, and prayers to you and the family during this time. May you find peace in the beautiful memories she left behind.

With all my love and deepest sympathy,

“Dearest Mommie,

My heart is heavy with sadness. I cannot undo the times that I've taken you for granted or misbehaved, or when I've spoken or done something hurtful and disappointing to you. I hope in my heart that you've forgiven me for these slights. I pray that I will be guided by yours and Honey's love and compassion for the rest of my life. So that when my time comes, you will welcome me back in your arms. I am forever grateful to be your daughter.

*Ever my love,
Riva*

“ Dearest Mommie,

*God Saw You Getting Tired
~Author Unknown*

*God saw you getting tired,
When a cure was not to be.
So He wrapped his arms around you,
and whispered, "come to me."
You didn't deserve what you went through,
So He gave you rest.
God's garden must be beautiful,
He only takes the best
And when I saw you sleeping,
So peaceful and free from pain,
I could not wish you back
To suffer that again.*

*Mommie, I thank the Lord for blessing me a wonderful, caring,
supportive, forgiving, and loving mother a son could have.*

I will miss you so dearly.

I love you with all my heart.

“ My Darling Dearest Mommie,

FaceTiming and spending the last few weeks being with you, and singing your favorite songs were the most wonderful and memorable times that I will cherish forever.

Mommie, I thank the Lord for giving me the opportunity to serve you as your daughter. Through the years, you have never let me down. You have always been around, through all the good and bad, you have always made everything okay. You have taught me to be strong, loving, and caring.

I thank you for all your support and forgiveness.

In my heart, you will always be my mentor and my hero.

*With all my love,
Tatam*

“ *My Ever Dearest Mommie,*

My beautiful and loving Mommie, saying goodbye to you was so hard for me, but I had to tell you that it was okay, that we are going to be okay.

But you know, I lied so you can finally let go, be at peace, and suffer no more. I was just being selfish because I wanted you to be with us longer.

My heart broke that moment you passed away, when God called you home. Now, my heart aches from missing you, longing for you. And at times, I have a hard time breathing because of the pain in my heart, every day and every minute not seeing you, not being with you.

I love you so much, Mommie. You were my heart. You were the first who loved me, and loved me more than anybody else loved me, as you told me so.

Your unwavering love for me and my brothers and sister have sustained us, and Lord willing, will continue to sustain us and guide us as we go on.

Thank you so much for the many sacrifices you made for our family to have a better life, for the wonderful moments, happiness and sadness., good times and bad. You taught me to be thankful for everything, to be always grateful for the many blessings God has given me and our family.

Each day of your life was truly a gift from heaven above and we were so thankful to God for giving you to us our mother.

I will see you again, my Mommie, my Gwapa, when the time comes God calls my name to say it is time for me to go home and be with you, Honey, and Rory once again.

*Love,
Rosie*
