“ My deepest condolences to the Guidry Family! Mrs Rae and I have been working together at Reignierd School for quite some time. She was a great teacher, a great friend and a great human being! I love her sense of humor--she is also humble and loved by the students! Thank you for your gift of friendship-you will be greatly missed, Mrs. Rae!

“ My deepest condolences and my whole heart goes out to the Guidry Family. Mrs. Rea, as we like to call her, worked for years with me in my classroom at Reignierd School and we had many a great time together! She was a great teaching partner, she loved the kids and she was always helpful and supportive of all our activities; even the extracurricular ones like school plays at graduation. I am sure that we will all miss her. I certainly will.

“ Condolences to the family of Rae Jean Guidry. Rae Jean and I were volunteers at St. Vincent's Catholic Church as teachers and the religious education program for many years. She was always smiling and energetic and willing to help anyone, especially the children in her class. I remember her being a team player and very generous and kind. I will miss my dear friend. I had been seeing her at church at 5:00 p.m. Saturday mass at St Vincent's for the past few months. May her soul rest in peace. Blessings from Xochitl Heins and family
