“ *A loveable dad and hero to his sons, compassionate brother to his siblings, always warm and loving friendship given to his friends. Ramoncito dominated on the basketball courts, laughed and cried with family and friends, and swam the waters when calm and rough with you when needed. Love you always Brother! Your memories will forever be in our hearts.*

“ One of the most caring and loving person that I've ever known. I will miss him checking up on me every so often and when we did get together with my family, it was always memorable. He was like an older brother to me, a true Kuya. I will miss you, my Pare. I take comfort that you are no longer suffering and that you are with your Mom an Dad now. Love you. Until we meet again. ❤️🙏

“ I'm sorry I needed to add this as it is imperative he was also a great son and nephew and to those that didn't get a chance to know him you definitely would love him as much as we do. Love you so much Bro and I miss you so. Forever in my heart. Agnes

“ A wonderful,loving,giving,compassionate,faithful, determined, strong,and thoughtful brother. As a kid, much years between us both he's always been playful, outgoing, and he loved his basketball no matter if he hurt himself playing he will go back out again and play because he was determined, never gave up so as I remember him today I will hold on to that memory of him among others i have of him.Though we didn't know how much and how long his ordeal and suffering was, I know now that he didn't give up he kept fighting and in the process he kept us afar enough so we wouldn't know how much pain he was in and even in the end he protected us and for that I would like to remember him not only the memory i had mentioned but remember him as a brother,a husband,a father,cousin, and a friend. I love you Kuya very much and I will miss you . Forever in my heart. Agnes
