“ There are honesty no words to express the loss of Raymond. He was truly, a life long friend who was at times rambunctious but always kind and loving. I will truly miss this boy who I watched grow into a young man. My heart goes out his increbile parents who struggle now. I love you all

“ Wow . . . what can I say about Ray that you all don't already know.

From the boy I knew in my class, to the young man he was. He was always willing to help and never did I see him judge anyone. He will always hold a special place in my heart.

I will never forget the 'helpful tip' Ray gave me. [ctrl+shift+c"rosebud"!;]

Every time I sit at the computer, I see that paper. I wrote down HIS instructions just as he told me. It worked every time:)

I will always have that . . . Thank you Ray.
