“ I was so sorry to read about Rocco's passing. My friends and I spent many Friday nights hanging out at "Rocco's Pizza" after football or basketball games during high school. It was the place to be. He was always so kind and friendly...wonderful memories. My thoughts and prayers are with the family.

“ Rocco and Teresa, Thank you so very much for ALL the many good times down at the pizzeria over the years... I am proud to say it was my only pizza place from the mid 1960's until you turned the pizza ovens off for the last time... Great to have been there many times when Rocco finger pick his guitar and play great songs to ALL the families eating there at the restaurant, and all the JOY-LAUGHTER and Smiles he brought to there table while they were having there night out with their family it was truly Magical to be there and being part of Rocco serenading his customers which became his extended family... I can remember when I was a teenager in the late 60's early 70's I saw Rocco working the pizza dough, fanning it out and making it flat and round and at times he would spin it up in the air and catch it in motion as it came down, there were times it would hit and skip off the ceiling he would LOOK over time to time with that marvelous smile of his, what a class act and show it was to watch...I started bringing many of my friends in and get him to spin our pizza off the ceiling as he was working the dough those truly were the GOOD old days...He became someone we looked forward to seeing when we came there to eat... WE always thought of and talked about HIM as we continued to get together down through the years... I had the privilege in later years of going up to his house. one time he took to his garage and showed me his cars...My older brothers Joe and Dave knew brother Joe Messina and Mom and Dad Messina and of course Rocco and his Family and THINK the world of you all... The Messina Family you ALL are in our thoughts and Prayers NOW and ALWAYS, GOD bless you all... And to Rocco you ARE and Have ALWAYS been in our Hearts and there you will stay our Brother and Friend... So Glad that you are "KEPT" by the POWER of GOD... We LOVE you Very much Rocco for nothing Loved is Ever Lost, for we all hold you close... Look up and watch the video- Letter to a LOVED ONE- by Trent Shelton- LOVE THE SCOLA FAMILY
