

Sherie Rae Branch

September 11, 1953 - February 24, 2025

Sherie Rae Branch (Rinehart), 71, passed away on February 24th, 2025 surrounded by her husband and children after a year long battle with cancer.

She was born in 1953 in Vallejo to Frank and Thelma Rinehart (Taber) and graduated from Vallejo High School.

She enjoyed bowling at the local bowling alley, which is where her 50-year love story with husband Joseph Branch Sr. began. They continued bowling in leagues together over the years at Miracle Bowl, Vallejo Bowl and Kentwig. She was an active member of the Vallejo Moose Lodge where she served as an officer and worked at many events. Her favorite place was the ocean, especially Hawaii and Monterey.

After high school, she worked in a dental office for Dr. Kingsbury and later Dr. Oswald. She then began bookkeeping at the Vallejo Chamber of Commerce for a short time before spending many years as a bookkeeper at Milestones of Development and other non-profit organizations serving adults with disabilities, where her knowledge, organization, and work ethic made her an invaluable asset. Though as dedicated as she was to her work, her most important and valued "job" was being a mom and grandma, "dama". She took pride in each and every child and grandchild and lived for them above all else. Everything she did was with them at the forefront of her mind, and she is

remembered by her children as the most selfless, loving, and supportive mom.

She was preceded in death by her parents, Frank Rinehart and Thelma Taber; her sister, Virginia Jacques; brothers David and Dale Rinehart. She will be deeply missed by her surviving family; brother, Glenn Rinehart; husband, Joseph Branch Sr.; her five children, Shane (Jennifer), David (Tiffany), Jason (Mollie), Joseph Jr (Amy), and Amy (Travis); her 15 grandchildren; her niece Connie Klimisch; and her many sisters- and brothers-in-law, nieces, and nephews.

In lieu of flowers, please donate to a nonprofit organization of your choice. A celebration of life will be held in the summer.

“ Sheri was an amazing woman and mother. She was like a second mom to me especially when we got caught doing stupid things as kids. I will truly miss her. I know it's been many years but I will always remember her.

“ *one of my favorite coworkers. Her daughter and I tag-teamed the front desk at work for a bit when we were between Admin assistants,*
