“ Nancy, Dennis and family,
I am very sorry for the loss of Steve. I have such great memories of him.
I will always remember Steve running around at Pine Grove.
I will remember him when we were crashing new Mustangs into trees on the way back from Bogs.
I will remember him backing his 57 Chevy into my moms car one night (and thinking "how do I explain that one to mom").
Jack Daniels. Long Neck Budweisers. Other stories that moms and kids should never know.
I'll remember copying each others homework at St. Pats (the people starting their last name with C's often got sat together).
He was a great guy and I really counted on him as a great friend at one point in my life. I am sorry we will never again get a chance to meet up.
My condolences at this sad time. Much too soon.

“ I met Steve my first year at Sac, we became roommates, fraternity brothers , and great friends. Steve and his family were the most generous people anyone could ask for. Many Sunday evening Steve and I would meet Nancy and Butch for dinner at Cattleman's they treated me like family. Our friendship continued after college fishing, golfing and shooting when we could, it seems we never had enough time.... RIP buddy I'm going to miss you.

“ You have been my uncle since I was about 6 years old! For a long time you were my favorite uncle and I loved that you always accepted us kids as your real nieces and nephews. A fun memory I have is going to school one day in the 3rd grade. I was stopped outside my classroom by my peers to tell me that we had a substitute teacher that day and he says he's my uncle. The kids were so excited and you made the day so fun for us. I loved that you were a proud uncle that day and you seemed equally excited to be teaching in your niece's class and I was to have you there. The last time I saw you was about 3 years ago and it was an awesome visit that I will not forget! Rest in peace uncle! May your family find peace during this difficult time!

“ Steve, I am grateful for the many fun family times we spent at the cabin. I remember your wedding day and I loved watching you enjoy being a dad, teaching Chris and Nick all the guys stuff. You had a big, kind heart, making those around you feel welcomed and cared about. I know you are in a better place, but I'm saddened that you had to go too soon. Keep an eye on Justin for me from up there! :)

Nick - So sorry to hear this news. When your dad used to pick you up from tutoring he always had a laugh and a smile. In later years he expressed how proud he was of you for taking the skills learned and running with them. As he used to say, "livin' the dream!" - know this is all he ever wanted for you. May your memories be of comfort during this difficult time. Best to you and yours, Barb (Mallon) and family
