

Steve B. Macdonald

August 8, 1964 - February 11, 2021

Steven B. Macdonald

August 8, 1964 – February 11, 2021

Steven B. Macdonald passed away at the age of 56 on February 11, 2021 in Vallejo, CA after a lengthy and fierce battle with cancer. Wife Jenny, twin brother John, and daughter Angela were at his side for his turbulent passing. Steve attended and graduated public schools in Pinole, CA where he was born, to parents Ronald and Kathryn. Steve moved to the city of Napa shortly after graduation and started working with the City of Vallejo in August 1987; where he retired after just over 32 years of dedicated service in the Public Works-Traffic division. Steve devised and created the V-FOG program in the city of Vallejo and personally implemented this program for many years. Steve also lived in American Canyon; where he served as a city Commissioner, Red Bluff, and finally Vallejo.

Steve was an avid motorcyclist and began riding when most children were still using training wheels. Steve was a supporter of Veteran's affairs and volunteered much time and energy at the Yountville Veteran's Home in Yountville, CA.

He is survived by his wife, father, 3 siblings, two children, two granddaughters, a multitude of cousins, nieces, nephews and an uncountable number of friends.

Steve wished for his ashes to be scattered; which plans for this wish are being made and will be followed by a Celebration of Life; both at a later date yet to be announced, once COVID restrictions are lifted.

Much heartfelt gratitude for all of the condolences, flowers, food and support.

Cremation and arrangements were entrusted to the care of Twin Chapels Mortuary, Vallejo (7070 552-6696. www.TwinChapelsMortuary.com)
